

★ OFFICIAL BUSINESS DELEGATION TO GERMANY

# One Delegation - Market Entry Focused Two Flagship Stages

*German Indian Innovation Summit (GIIC e.V) · German-Indian Business Forum (GDIZ) · SYNERGY NEXUS leads an independent business delegation.*

# Architecting Global Scale

**SYNERGY NEXUS** architects the framework for market entry, global scaling and cross-border innovation.

Our goal is to offer a high-trust global business exchange where serious stakeholders, from startups, enterprises to government bodies, meet with a clear mandate to collaborate, invest, and scale.

*“Visibility is a commodity. Access is a strategic asset.”*

We don't just host events, we build repeatable engines for market entry.

*Architecting the framework for global scaling, across 12+ countries since 2024.*

A SHARED MISSION

# Germany + India

*The ambition that unites everyone travelling to Berlin and Munich this year.*

**THE VISION**

A Europe–India innovation corridor that drives global economic strength and stability, two democracies building together, for the world.

**THE MISSION**

Cross-border scaling architecture: designing and scaling Germany–India innovation systems with global industrial impact.

*Berlin 2025 — where the corridor came to life last year*

# The Germany–India Moment

*Projected cumulative shared-value potential over 10+ years through industrial AI, deep tech and sustainable systems.*

# 3x

## EU–India Trade

Today: €120–135 Billion

**In 10 years: €400–450 Billion**

# 30x

## EU–India Shared Value

Today: €120–135 Billion

**In 10 years: €3 Trillion**

*“Europe and India are not under-trading, they are under-building together.”*

# The Delegation Journey

*One delegation · Two flagship stages · Four days at the heart of Germany–India business.*

**BERLIN**

28–29 September 2026

**German Indian Innovation Summit**

Senior decision-makers · AI for Industries

**MUNICH**

30 September – 1 October 2026

**German-Indian Business Forum**

Senior Executives · Startup Connector · State Reception

*SYNERGY NEXUS members move through both cities as one curated delegation.*

# German Indian Innovation Summit

The flagship gathering of the German Indian Innovation Corridor (GIIC e.V), a member-driven platform connecting German and Indian businesses, startups, investors, and institutions.

Following its 2025 debut at the Brandenburg Gate, the second edition convenes Europe's and India's industrial AI leadership.

-  28 – 29 SEPTEMBER 2026
-  BERLIN, GERMANY
-  SENIOR DECISION-MAKERS
-  AI FOR INDUSTRIES
