German Indian Innovation Summit (GIIC e.V) • German-Indian Business Forum (GDIZ) • SYNERGY NEXUS
leads an independent business delegation.

WHO WE ARE

Architecting Global Scale

SYNERGY NEXUS architects the framework for market entry, global scaling and cross-border innovation.

Our goal is to offer a high-trust global business exchange where serious stakeholders, from startups, enterprises to government bodies, meet with a clear mandate to collaborate, invest, and scale.

“Visibility is a commodity. Access is a strategic asset.”

We don't just host events, we build repeatable engines for **market entry**.

A SHARED MISSION

Germany + India

The ambition that unites everyone travelling to Berlin and Munich this year.

THE VISION

A Europe-India **innovation corridor** that drives global economic strength and stability, two democracies **building together**, for the world.

THE MISSION

Cross-border scaling architecture: designing and scaling Germany-India **innovation systems** with global **industrial impact**.

Berlin 2025 — where the corridor came to life last year

The Germany-India Moment

Projected cumulative shared-value potential over 10+ years through **industrial AI**, **deep tech** and **sustainable systems**.

3x

EU-India Trade

Today:
€120-135 Billion

In 10 years:
€400-450 Billion

30x

EU-India Shared Value

Today:
€120-135 Billion

In 10 years:
€3 Trillion

*Europe and India are not under-trading,
they are **under-building together**.*
